

► MASTERY LEVEL (Chaos to Control)

Mastery – the first stage of growing any business is about making sure you deliver profitably, productively and with enough information to make great decisions. This is where you get control of your business.

As you achieve each item on your checklist, it is important to ensure they are a standard practice from that point forward in your business. Often it's more important to have a continual improvement system in place than simply to complete a task.

Key Topics to Complete:

- Destination Mastery
- Delivery Mastery
- Money Mastery
- Time Mastery
